English

FORMAT:
HD

YEAR:
2021

At the dawn of the Second World War, Nazism was extending its grip over South America. The Golden Angel, a Mexican masked wrestler, was recruited by the Americans in order to flush out the spies of the Third Reich and put a stop to their nefarious schemes. The Golden Angel's assignments, still classified Top Secret and therefore absent from the history books, even brought him to a pivotal confrontation with Hitler himself.
