NOMAD Meditations are guided meditations inducing “Soft Fascination”. Contemplating the beauty of our world in a “stream of consciousness”, NOMAD creates an hypnotic transcendent state, relaxing your mind, restoring your brain power, and elevating your mood. NOMAD Meditations take you on deep journeys within, beyond the bounds of consciousness, to the far reaches of the imagination where dreams and reality become one. Awake your imaginative consciousness. Expand your perception. Reach the present moment. Welcome to NOW.
