

LE CHALET

3 COMPLETE SEASONS (4th in production) | 46 X 30 min | YOUTH SERIES

Every year, Sarah, Lily, Francis, Charles and Antoine have met at the chalet for the ski season. This year, something has changed. A new roommate has arrived on the scene. Her name is Catherine and for these long time friends, life at the chalet will never be the same again.

Their lives intertwine, on and off the slopes. Romance sparks and love blossoms. New friendships are born and old ones, tested. But between the laughter and the tears, they discover a lot about themselves and each other, and learn the most important life lesson of all – growing up is hard, but it's easier with a little help from your friends.
