"TRAJECTOIRES" is a docuseries that brings the listener behind the former NHL players curtain whose careers, sometimes difficult, sometimes breathtaking, has marked more than one.

"TRAJECTOIRES" is a personal travel from the very beginning of their life until where they stand today, in their professional and personal day-to-day, that looks alike us.

The fundamental idea of "TRAJECTOIRES" is to let the former NHL hockey player relates his story from his point of view. This series doesn't focus on the statistics and the career's facts, but on the background of the person.

The players who pass at "TRAJECTOIRES" are breaking the walls and give us a chance to really know the men behind the hockey player.

"TRAJECTOIRES" is a personal and in-depth portrait of the person who has something in common with its viewers...
