This documentary presents a good man, cheerful, colorful, dog lover, who one day had the idea to found an organism in order to help his fellows. A foundation called: MIRA. To date, the foundation has given more than 3,000 dogs that brought help and comfort to people that haven't been pampered by life.

To build his foundation, Eric St-Pierre has played several roles: salesman, entrepreneur, coach, trainer and breeder. He was not afraid to explore new ways in order to innovate.
