Dim the lights, cue the music and please welcome to the stage ...Max, Paul, Scott, Ryan, Alex, Tyler, Sam, Shawn and Ice! They have abs of steel, masterful stage presence and moves that fire the fantasies of hundreds of screaming women, every night of the week.

They're also fathers, husbands, sons and students. They do their weekly grocery shop, make Sunday supper and study for their Bachelor's degree ~ all while undergoing extensive training for the physical and choreographic challenges of the highly competitive world of male exotic dancing.

Through exclusive interviews with the dance troupe, unpublished scenes of the cabaret, and intimate, rare personal moments in their lives, this docu-reality series reveals a humorous and often touching picture of a group of men united by one of the toughest, sexiest, most misunderstood professions on the planet.
