

Monster Motel

YOUTH

In the village of Bouillon, a strange crew is working in an old motel built alongside a thermal spring with mysterious properties. The team is comprised of disgusting monsters, a crazy old man, and Magalie, a clumsy yet clever 15 years old teen. Together they overcome many obstacles to keep the motel open, because the survival of their species depends on it. Living together isn't always easy, but Magalie and the monsters learn to adapt, to develop friendships regardless of their differences, and to face, together, the terrifying life of a pre-teen!
