In an abandoned house in a small village, five youngsters discover a secret passage to a mysterious world hiding a priceless treasure. However, the joy brought by this extraordinary discovery will be short-lived for Lou and his friends, who soon learn that the treasure is coveted by some seedy characters with bad intentions. Threatened by immoral villains, our young protagonists have no choice but to plunge into this strange world to save themselves. Together they thwart all danger that awaits, embarking on a treasure hunt that push them to their ultimate limit.
