2021

HELL OR HIGH SEAS follows U.S. Navy veteran Taylor Grieger and writer Stephen O'Shea as they embark on the adventure of a lifetime — sailing around Cape Horn, the world's most treacherous ocean waters. The documentary is a moving portrait of a veteran using his own painful journey with PTSD to find healing for himself and pave a smoother path for veterans returning to civilian life. An adventure film with a deep, universal message about perseverance and hope.
