PIN is an animated series committed to demonstrating the rudiments of economics using quirky humour and colourful characters. Please meet Peter Imbeault-Nicholl, aka PIN! This slightly naive teenager is introduced to responsible finance by Ruby Cashon, a financial advisor who doesn't hesitate to give her young apprentice the straight goods. Composed of short, punchy vignettes covering one subject at a time, PIN wants to be as instructive as funny.

AWARDS

YOUTH MEDIA ALLIANCE - 2024 Excellence Award for Best Television Series or Webseries - Acquisition of Knowledge and Development of Critical Thinking (Short)
