A TV game show that features candidates entering a castle in the French Forez region to engage in challenges alongside raptors. Led by falconer Stephan, they gather clues about which bird holds a \$3,000 prize. The show emphasizes the birds' well-being and includes events like the tunnel of darkness, the hall of punishment, and the egg-breaking skill of an Egyptian Vulture. Success hinges on interpreting clues about the birds. Combining strategy, adventure, and the allure of birds of prey, "RAPACE" offers a captivating and humane competition.
