2024

After selling their monastery, Pierre, Paul, and Jean, three religious brothers, decide to part ways with the Church and reinvent their lives in their senior years. With no savings or future plans, they find refuge with Aïcha, Paul's friend, where they try to navigate the modern world. Through the misadventures of this new journey, what seemed like the apocalypse for these three former men of faith turns out to be the long-awaited redemption.
