DISCOVER THE PARTICULAR UNIVERSE OF A UNIQUE TEENAGER!

Antoine, 16, handsome, bright, non-verbal, polyhandicapped and... a comedian! This documentary will show Antoine in his daily life with his family, at his school and on the production set of a series in which he plays himself.

Antoine cannot express himself in words, but he knows how to communicate what he wants and feels through pictograms and sounds. He can thrive everyday thanks to his tenacity and the dedicated and loving people around him who work tirelessly as a team for his comfort, happiness, and his personal fulfillment.
