

20 years
of passion

CELEBRATING 20 YEARS OF PASSION.

For 20 years, HG Distribution has been connecting great content with audiences around the world.

Founded by Henry Gagnon with an entrepreneurial vision and a passion for content, HG Distribution has grown into an established Quebec-based Canadian distributor with a strong international presence, powered by a dedicated team that shares the same passion, vision and commitment.

**The industry has changed.
So have we.**

From traditional television to streaming and digital platforms, we have continued to evolve while staying true to what matters most: great content, strong relationships and trusted partnerships.

*"Twenty years is not a destination.
It's proof that we can evolve, embrace
change and turn it into opportunity."*
- Henry Gagnon, Founder

**At MIPCOM, we celebrate
20 incredible years, and the best
is yet to come...**

The HG Distribution Team.

ALPINE WORLDS

NEW

We follow Jakob and Matthias Weger, South Tyrolean brothers and elite multi-sport alpinists. Moving across skiing, climbing, kayaking and paragliding, they explore remote alpine regions from the Dolomites to Arctic faces, chasing extreme lines. Each journey tests their skills, their limits and their bond, where every decision can mean success, retreat or survival.

FARMING WITHOUT HARMING 2

By 2060, Earth will host 10 billion people. How can we feed everyone without harming soil, water and air? In this anthology sequel to *Farming Without Harming*, narrator Larry Day explores seven powerful stories of farmers, tree planters, an Indigenous seed keeper and a plant-based chef. Their journeys reveal sustainable food systems, climate challenges and hope for our future.
