For immediate release

The youth series KAPSUR heads to Switzerland: SRF acquires 10 episodes for a three-year term

The Swiss public broadcaster adds the Quebec series to its youth programming, further extending the international reach of the French-language content represented by HG Distribution.

Montreal, October 13th, 2026 - HG Distribution is pleased to announce a licensing agreement with SRF, the Swiss public broadcaster, for the broadcast of *KAPSUR* in the Swiss territory. The agreement covers ten (10) episodes of the Quebec youth series for a three-year term of television rights. This acquisition is part of HG Distribution's ongoing strategy to grow the international footprint of French-language youth content.

Deal terms

The agreement with SRF covers ten (10) episodes from the first season of *KAPSUR*, for a three-year period of television rights in Switzerland. The series will enrich the broadcaster's youth offering, where discovery and diversity sit at the heart of its programming.

About KAPSUR

KAPSUR invites viewers to follow twenty dynamic young people living off the beaten path, across lesser-known regions of Canada. Whether Canadian-born or newly arrived, these young protagonists share their passions and their one-of-a-kind daily lives. Each episode offers inspiring encounters, surprising activities and discoveries that reveal the richness and diversity of today's Canada.

Technical sheet: 2024-2025 | S01: 20 x 15' & 6 x 4' | Original language: French | Subtitles: English | Format: HD, 4K | Available rights: World, excluding French Canada | Producer: mflaval FILMS inc.

About SRF

SRF (Schweizer Radio und Fernsehen) is the public broadcaster for German-speaking Switzerland and a key arm of SRG SSR, the Swiss broadcasting corporation. Its programming spans news, culture, entertainment, sports and youth content, with a strong focus on world discovery and diverse storytelling. SRF reaches a wide audience every day across its television channels, radio stations and digital platforms.

About HG Distribution

For nearly two decades, HG Distribution has established itself as a trusted partner for independent producers, managing the international distribution of premium content to broadcasters and platforms worldwide. With a diversified catalogue and the confidence of more than 100 producers, the company is

built on a tailored approach and on values of authenticity, integrity and service excellence. HG Distribution offers content for television, streaming, VOD, mobile and emerging platforms.
